

Garden State Chapter P.O.C.I

MEMBERSHIP APPLICATION

The Garden State Chapter was chartered in 1975 by its parent club, The Pontiac-Oakland Club International, to organize local activities for the enjoyment of its members. Through chapter membership we can promote our hobby, share ideas, make new friends and enjoy good times, all around our mutual interest in Pontiac and Oakland automobiles. Car Shows, swap meets, picnics, cruises, monthly meetings, our Annual Holiday Party and social events are just some of the activities the Chapter participates in.

Our bi-monthly Chapter newsletter keeps everyone informed not only about upcoming events and past activities, but offers free want-ads, local technical assistance, and interesting stories and articles.

To join the Garden State Chapter, you must be a member in good standing of the Pontiac-Oakland Club International, P.O. Box 68 Maple Plain, MN 55359 US, <http://www.poci.org/>. Dues are \$35.00 per year. Garden State dues are \$15.00 per year and are due January of each year.
